Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 28 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with some very warm sunshine, but far northwest cloudy.

Today:
Mist and low cloud clearing from most areas this morning. Otherwise a dry day with plenty of very warm sunshine. Low cloud and occasional drizzle along the west coast spreading to the northern Sutherland and Caithness. Maximum temperature 23 deg C (73 deg F).

Tonight:
Dry with some late brightness in the south and east this evening. Low cloud spreading south through the night. Many places dry but some coastal drizzle in the north. Minimum temperature 12 deg C (54 deg F).

Sunday:
Mainly dry, a little drizzle in the north at first. A lot of cloud around in the morning, some sunshine breaking through in places by the afternoon, mainly the west. Maximum temperature 17 deg C (63 deg F).

Outlook for Monday to Wednesday:
Remaining dry and settled with some brightness although it will be rather cloudy at times. Best of any sunshine across the west.
